

Pet Policy

Lake of the Woods welcomes your whole family to our resort. This includes the furry members of your family as well. As with any business, we do have some guidelines, which we ask that our resort guests follow regarding their pets. These guidelines are meant to provide all our guests a safe and pleasant experience at our resort.

1. **When outside your cabin, your pet must be on a leash at all times.** As owners, it is our responsibility to ensure the safety of our guests. **As a pet owner, you will be held personally liable for any incident involving your pet.** We all like to think our pets will always act the way they do at home, but in different surroundings and among different people, they may act in unpredictable ways. **Please make sure that whomever is walking the pet is in control of the pet.**
2. **Please clean up after your pet.** Please remember to carry a receptacle with you to clean up after your pet. We wish to provide our guests a clean environment in which to walk, fish and play. Please keep your pets off the main grass area and especially the playground area.
3. **Please clean up after your pet in your cabin.** *Vacuums are available upon request.* Many animals shed, and we realize that this is a normal function of many breeds. We ask that you please clean up any excessive hair left by your pet, as our cleaning personnel spend countless hours on this alone. **If your pet leaves excessive hair in your cabin, we will charge a cleaning fee of \$50.00 to recoup the cost of our additional labor. If your pet causes damage to your cabin we will provide you with an additional invoice to cover such damage.**
4. **We would appreciate your keeping pets off the beds and furniture.** Please ask for an old sheet or blanket for pets to lie on if they are used to being on your furniture at home.
5. **Please have a great time at our resort.** These guidelines are by no means meant to upset our guests. We love providing a wonderful FAMILY experience for everyone.
