

## **Dog Policy**

Lake of the Woods welcomes your whole family to our resort. This includes the furry members of your family as well. As with any business, we do have some guidelines, which we ask that our resort guests follow regarding their Dogs. These guidelines are meant to provide all our guests a safe and pleasant experience at our resort.

1. **When outside your cabin, your dog must be on a leash at all times.** As owners, it is our responsibility to ensure the safety of our guests. As a dog owner, you may be held personally liable for any incident involving your dog. We all like to think our dogs will always act the way they do at home, but in different surroundings and among different people, they may act in unpredictable ways. Please make sure that whomever is walking the dog is in control of the pet.
2. **Please clean up after your dog.** Please remember to carry a receptacle with you to clean up after your dog. We wish to provide our guests a clean environment in which to walk, fish and play. Please keep your dogs off the main grass area and especially the playground area.
3. **Please clean up after your dog in your cabin.** *Vacuums are available upon request.* Many dogs shed, and we realize that this is a normal function of many breeds. We ask that you please clean up any excessive hair left by your dog, as our cleaning personnel spend countless hours on this alone. **If your dog leaves excessive hair in your cabin, we will charge a cleaning fee of \$50.00 to recoup the cost of our additional labor. If your dog causes damage to your cabin we will provide you with an additional invoice to cover such damage.**
4. **We would appreciate your keeping dogs off the beds and furniture.** Please ask for an old sheet or blanket for dogs to lie on if they are used to being on your furniture at home.

**Please have a great time at our resort.** We love providing a wonderful FAMILY experience for everyone.
